

CLAREMONT HIGH SCHOOL ACADEMY

TEACHER OF SCIENCE MAIN SCALE (Salary £28,098 to £38,241) (Inner London Allowance)

Claremont High School Academy is an 11-18 mixed, multi-ethnic, outstanding Converter Academy situated in the North West London Borough of Brent bordering Harrow. The school is oversubscribed with 1600 pupils on roll including 300 in the 6th Form and the school achieved 'Outstanding' in the Ofsted inspection of May 2010 and 2015. Pupils are mainly drawn from the Kenton area and the school serves as the local community comprehensive.

We are a very successful school with a full range of abilities. In 2016 Science achieved extremely strong progress measures at KS4 with Triple Science in the top 10% of the country as evaluated by Fischer and Alps. At KS5 the Science Faculty has maintained its strength in numbers over previous years and more details of the outstanding examination results can be found on the school website.

For September 2017 we wish to appoint a well-qualified Science Teacher to join a team of enthusiastic and proactive Science Teachers with a strong focus on skills development, enrichment and independent learning supported by technical staff and a range of new technology where practical work is carried out regularly in our 16 fully equipped laboratories.

The post would suit a good classroom practitioner at any stage of their career and applications from NQTs are welcome. The NQT programme of induction has recently been graded outstanding by its Quality Assurance Assessor, a full range of outstanding CPD is offered throughout your induction year. The professional development of all staff is a key focus of the school with associate roles and a comprehensive package of development offered throughout the Academy. Staff retention is high indicating that staff development and progression opportunities are created within the Academy. Challenge Partners have graded the Academy outstanding twice with CPD as an area of excellence.

You will have responsibility for teaching Science throughout the school up to KS4 and your specialism possibly up to A-Level for a suitable candidate.

Details regarding the Science Faculty in terms of teaching staff, syllabi and resources can be found on the school website under Curriculum and Science.

Application forms and job description with personal specification for this role can be found on our website along with Faculty details of the subjects: www.claremont-high.org.uk
