

## Claremont High School Examination Results 2009

Year 11 pupils achieved excellent results in 2009 with 85% of the year group achieving five, or more, GCSE A\* to C pass grades. A record 74% of our pupils achieved these five good grades including passes in English and Maths.

In September 2009, we welcomed back many of these pupils as they started their next stage of education at Claremont while, more generally, these results rewarded the hard work of both pupils and staff enabling the vast majority of pupils to successfully move on to their chosen next stage of education.

## Expectations for 2010

We are confident that the success of last year will be more than matched by the current Year 11 pupils. Current predictions have 97% on track to achieve five good passes with 80% of the year group expected to achieve at least five passes including English and Math. This would represent an outstanding achievement on the part of Year 11.

Claremont offers a wide range of courses matched to pupils of all abilities, enabling all our pupils to be successful at Key Stage 4 and make appropriate choices for their post 16 education.

## GCSE Examinations 2009

### Performing Arts - BTEC First Certificate (each student entered is awarded two grades)
