Dear Mr. O'Reilly,

Thank you for your letter regarding the Converter Academy issue. I note the contents of the attachments and will ensure that any information that has not already been shared with Governors and other stakeholders are circulated. If you have an electronic version please e-mail this to me and I will arrange to have this put onto the school's website.

I am pleased that you have made contact with the school. You may know that we have already had a full staff meeting and that we are starting the formal process of meeting with and consulting the teacher unions. We welcome the involvement of Unison in representing the interests of non-teaching staff.

You are welcome in school to talk to Brent Unison members and can I suggest that you arrange this directly with the member of staff whom they have elected to represent them. If this causes a problem then I am willing to consult with non-teaching colleagues to agree an appropriate meeting time.

I will be meeting Mr. Arif, Chair of Governors, on Wednesday afternoon and will confirm his availability to meet with you as soon as possible.

If you require any further information or assistance please do not hesitate to contact me either by letter or via the school's e-mail: terry.molloy@claremont-high.co.uk.

Yours sincerely,

F.T.Molloy
