Calling all Parents/Carers

For any parent with a Child/Teenager aged 3 - 18yrs

On Friday March 12th between 1.30pm-3pm

We are holding a Strengthening Families Strengthening Communities course open afternoon

This will give Parents/Carers an opportunity to find out about the course and watch a DVD on families participating in the course

The course itself is for 13 weeks

This will be a fantastic opportunity for Parents/Carers to meet other families, to share their experiences, and to learn and develop skills to manage your child's behaviour, and to have fun.

Brent Council recognises that Parents/Carers are the most important people in their children's lives. This programme aims to provide support and help for parents from different cultures.

Please come along all are welcome
