Schools

Mount Stewart

### Pupil

The lessons have been fun and have been helping me a lot in maths and I find my work getting better and it makes me more confident. Jade, year 6.

I think it's helpful because it helps me to understand problems more clearly in tests and since I've been doing these lessons I've got higher grades. Umodele, year 6.

These lessons I take I can honestly say they are really helping to get my target level 5 for SATs. I totally enjoy them, it's great fun. I'm learning a lot and also enjoying a lot, this will really benefit my SATs exam. Aribha, year 6.
